

Professional Summary

It has been my goal to be an Eagle Scout since I joined scouting in grade school. I realized, as I got older, this is a great avenue to get to know my community and to develop skills in leadership so that one day I can truly make a difference in this world. I am currently a junior in high school, strive to get exemplary scores in all my classes, lead my high school baseball team as a catcher, and enjoy taking part as the Troop Guide to the younger scouts in my local scouting troop, after serving as their Senior Patrol Leader. I enjoy volunteering; scouts has been a great avenue for me to do this. Here are a few volunteer positions I have taken part of: Several Eagle Scout projects, coastal clean up days, Labor Day parades, Blackie's Hay Day (set-up and clean-up), serving food for the homeless several times, delivering turkeys with our church at Thanksgiving to the less fortunate, helping to decorate the Tiburon Christmas Tree each year, Troop Patrol Leader, Senior Patrol Leader, Troop Guide, baseball assistance at Line Drive to help children with disabilities, and many - many father-son bonding days doing yard work, building decks, wiring a room, going to the dump, and much - much more.

Skills

- Dependable
- Hard working
- Positive "Can-Do" attitude
- Good Student
- First Aid and CPR certified
- Time management
- Summer camp counseling
- People-oriented
- Friendly and likable
- Quick learner
- Technology savvy
- Motivator

Work History

For the past two summers, I have worked on staff at Boy Scouts of America, Camp Marin Sierra, located near Tahoe, 4 hours from my home for 6 weeks each year. During this time, we have approximately 1500 boy scouts between the ages of 10 & 18 attend the camp each year. Besides my daily assigned Merit Badge classes, I was responsible to clean bathrooms, do dishes, serve food, lead the group with songs and chants, and generally have a great attitude from 6am to 10:30pm every day. This year, I was promoted, and was hand picked as staff to help on the Rifle Range. My daily duties included giving individuals classes on the rules on the Rifle Range, the parts of a rifle, the parts of the .22 ammunition that we used, and how to properly and thoroughly clean a rifle to both scouts and adults.

I currently help coach at the Golden Gate Sliders Baseball Camp and have been a summer camp counselor from 2013 through 2017. Several weeks in summer, around 70 little kids every day for a week are introduced to baseball and the joys of playing it. It is my job to keep them on task, but to make sure that they really understand what baseball is all about - having fun! www.goldengateslidersbaseball.com/

Education

Redwood High School – Larkspur, CA
Graduating Year – 2019 (Current mid-term Junior GPA 4.1)

Special Interests

- Baseball – Tee-Ball through High School: 4 years competitive Travel Ball
